SEVEN LAWS. THREE BOTTLENECKS. ONE SKILL TO MASTER.

THE SEVEN LAWS → *Reveal* → THE THREE CAPITAL-SIDE BOTTLENECKS → *Address through* → ONE SKILL TO MASTER

1. False Profits
2. Twenty-Year Traffic Jam
3. Moving Finish Line
4. Losing Game
5. Time Prison
6. Trapped Dollar
7. Costly Sequence

1. **Limited Funding**
   Too little capital enters.
2. **Trapped Capital**
   Capital stops cycling.
3. **Financial Friction**
   Momentum leaks away.

CAPITAL DESIGN

The discipline of designing how capital flows and is reused.

Improves

CAPITAL EFFICIENCY

How hard, how long, and how often every dollar works.

The laws were never separate. They were pointing to the same problem.
